## BEN SHAPIRO

## Tuesday April 9, 2019

Ben Shapiro is Editor-in-Chief of DailyWire.com; host of *The Ben Shapiro Show*, the top conservative podcast in the nation and syndicated radio show heard on more than 150 stations nationwide, including eight of the top ten markets; and a leading conservative speaker on college campuses, consistently defending free speech and open debate. Shapiro is the author of seven books, including *The New York Times* best-seller, *Bullying: How the Left's Culture of Fear and Intimidation Silences America*. Shapiro is also a nationally syndicated columnist since age 17, and a graduate of UCLA and Harvard Law School. *The Washington Post* calls Shapiro "a foe of extraordinary polemical agility," and *The New York Times* calls him "the cool kid's philosopher." Rush Limbaugh says Shapiro isn't just "content to have people be dazzled by his brilliance; he actually goes out and confronts and tries to persuade, mobilize, motivate people." Glenn Beck calls Shapiro a "warrior for conservatism, against those who use fear and intimidation to stifle honest debate. I've never known him to back down from a fight."
