## Step 5: Vote!

When you join the  
**Arizona Christian  
Education Network...**

- 1. You'll be informed** of important legislative developments, changes in education policy, and any threats to educational freedom and Christian education.
- 2. You'll know where and how** to make your voice heard!
- 3. You'll be connected** to other families across Arizona who share your commitment to educational freedom.
